Orange Terpene Cleaner

PI 7/01/02/2021

Description

Universally applicable power cleaner that contains, among other things, orange terpenes made from 100 % renewable raw materials. With its biodegradable solvents made from orange oil, quickly and easily removes even stubborn dirt such as adhesive residues, oils, greases, silicone, rubber abrasion, waxes, tree resin, tar, bitumen, waterproof felt-tip pens or graffiti without leaving an oily film. Leaves a pleasant orange scent.

Properties

- highly effective
- outstanding compatibility with paint
- very good grease solvent
- dissolves resin and tar-type residues
- optimally removes oils, greases, waxes, waterproof ink marks or graffiti
- degreasing of metal parts such as bicycle chains
- suitable for the removal of adhesive foils and vehicle lettering
- orange terpenes from 100 % renewable raw materials
- for the tire shop ideal for removing adhesive residues and adhesive weights
- pleasant processing due to orange scent

Available pack sizes
